Healthy  Ride

## Our Mission

Pittsburgh Bike Share expands access to public transportation through affordable and easy-to-use active transportation opportunities.

At the beginning of 2018:

50

Stations

Service area	8 mi <sup>2</sup>
Population served	90,000
Average distance	1320 ft
Docks	900
Bikes	500
Possible routes	2500

By the end of the expansion:

175

Stations

Service area	16 mi <sup>2</sup>
Population served	170,000
Average distance	970 ft
Docks	1250
Bikes	700
Possible routes	30,625

**Today: a few big stations**  
**Useful for a few trips you make**

**Coming soon: more smaller stations**  
**Useful for many trips you make**

## Small Stations

Designed to preserve sight distance between crosswalk & first legal parking spot.
