## Deciduous Trees

*Acer palmatum* 'Bloodgood'  
Japanese Maple

Mature size: 10-15' W x 15-20' H

Notes: Attractive foliage with burgundy red coloring turns brilliant scarlet in fall. The interesting red-black bark provides striking interest in winter.

*Acer japonicum* 'Full Moon'  
Full Moon Japanese Maple

Mature size: 8-15' W x 10-20' H

Notes: Pale green to chartreuse star-shaped leaves; graceful form; stunning fall color

*Cercis canadensis* 'Vanilla Twist'  
Vanilla Twist Weeping Redbud

Mature size: 8-10' W x 6-8' H

Notes: Dwarf, weeping habit; heart-shaped leaves; creamy white flowers in early spring; yellow fall color

## Evergreen Trees

### *Picea abies* 'Acrocona'

Acrocona Spruce

Mature size: 10-12' W x 6-10' H

Notes: Broad, pyramidal conifer with drooping branches; short, evergreen needles; abundant purple-red cones in spring

### *Pinus densiflora* 'Oculus Draconia'

Dragon's Eye Pine

Mature size: 15-30' W x 30' H

Notes: Soft, long-needled pine with a relaxed habit; needles are marked with bands of yellow and green; attractive scaly bark

## Deciduous Shrubs

### *Buddleia*

Butterfly Bush

Notes: Classic upright narrow shrub blooming mid summer til late summer. Attracts butterflies.. Can be pruned to control size and shape.

### *Hydrangea macrophylla* 'Endless Summer'

Endless Summer Hydrangea

Mature size: 3-5' W x 3-5' H

Notes: Large mophead shaped flowers in pink or deep blue; re-blooms continuously throughout summer; blooms on old or new wood

*Hydrangea paniculata* 'Tardiva'  
Panicle Hydrangea

Mature size: 7-10' W x 8-12' H

Notes: Vigorous, upright, rapidly growing, somewhat coarsely textured, deciduous shrub which typically grows 8-12' tall; One of the most winter hardy of the hydrangeas; It thrives in urban conditions. Blooms July to September

*Kerria japonica* 'Golden Guinea'  
Kerria

Mature size: 3-5' W x 3-5' H

Notes: Bright yellow flowers on long, green arching stems in spring; stems are attractive in winter

*Rosa* 'Julia Child'  
Julia Child Rose

Mature size: 2-3' W x 2-3' H

Notes: licorice-clove scented buttery-yellow flowers fro late spring to fall. Compact and bushy habit.

*Rosa* 'Take it Easy'  
Rose

Mature size: 3' W x 3' H

Notes: showy clusters of red flowers with a pink reverse at the ends of the branches from late spring to mid fall. Dark green foliage throughout the season.

*Rosa* 'Blaze Improved'  
Climbing Rose

Mature size: 3-6' W x 8-12' H

Notes: Stunning clusters of scarlet red, double fowers; blooms in late Spring to frost; slight fragrance; dark green foliage; hardy climber

*Rosa 'New Dawn'*  
Climbing Rose

Mature size: 3-6' W x 8-12' H

Notes: Fragrant, large double flowers of blush pink blooms; Superior climbing ability

*Sambucus 'Black Lace'*  
Elderberry

Mature size: 6-8' W x 6-8' H

Notes: Black Lace™ is a stunning development in Elderberry breeding. Intense purple black foliage is finely cut, giving it an effect similar to that of Japanese maple. Creamy pink flowers in spring contrast nicely with the dark leaves. They are followed by blackish red fall berries which can be harvested for making elderberry wine and jam.

*Sorbaria Sorbifolia 'Sem'*  
False Spirea

Mature size: 4- 6' W x 4-6' H

Notes: Vividly colored, pink to red, fern-like spring foliage turns chartreuse with bronze tips, then solid green as it matures on this hardy, compact shrub. Showy panicles of tiny, white flowers adorn the foliage in late spring.

*Syringa x 'Alexander's Pink'*  
Alexander's Pink Lilac

Mature size: 6-10' W x 8-10' H

Notes: The plant is a late blooming form that has large light pink flowers and very spicy fragrance.

## Evergreen Shrubs

*Buxus* 'Schmidt'  
Schmidt Boxwood

Mature size: 3-4' W x 4-7' H

Notes: Narrow, lustrous, dark green foliage holds its color throughout the winter without damage. This vigorous plant has a tight upright habit, excellent for hedging or sculpting.

*Juniperus chinensis* 'Spartan'  
Juniper

Mature size: 3-5' W x 15' H

Notes: forms a stately, dark green, densely branched column well-suited for use as a formal accent, screen or windbreak. In its natural form, the symmetrical, pyramidal shape rarely needs pruning.

*Rhododendron* 'Chionoides'  
Rhododendron

Mature size: 4-5' W x 4-5' H

Notes: Broadleaf evergreen shrub; showy white flowers with a yellow eye; blooms in spring

*Thuja occidentalis* 'Degroot's Spire'  
Arborvitae

Mature size: 2-3' W x 8-12' H

Notes: Narrow columnar evergreen with dark green tufted foliage; good for narrow spaces

*Thuja occidentalis* 'Yellow ribbon'

Mature size: 2-3' W x 8-10' H

Notes: A distinctive evergreen with showy, dense golden-yellow foliage that maintains its color throughout the year.

*Viburnum x pragense*  
Prague Viburnum

Mature size: 6-8' W x 8-10' H

Notes: evergreen shrub with lustrous, dark green, puckered leaves. Pink buds develop in early spring and open to lightly fragrant, creamy white flowers.

## Perennials

*Amsonia hubrichtii*  
Blue Star

Mature size: 2-3' W x 2-3' H

Notes: Clusters of small, blue, star-shaped flowers in spring; delicate foliage; beautiful golden fall color

*Aster 'Wood's light blue'*  
Aster

Mature size: 1-1.5' W x 1-1.5' H

Notes: Blue-violet to purple flowers with yellow centers bloom in late summer to early fall; glossy dark green leaves have excellent disease resistance

*Baptisia 'Purple smoke'*  
False Indigo

Mature size: 3-4' W x 3-5' H

Notes: Upright, mounded perennial; purple flowers bloom in erect racemes from late April to early June, Grey green foliage.

*Coreopsis* v. 'Summer sunshine'  
Coreopsis

Mature size: 40" W x 30" H

Notes: blooms in the fall – its golden flowers with dark cones last about six weeks during September and October.

*Echinacea* 'Hot papaya'  
Coneflower

Mature size: 2-2.5' W x 2.5-3' H

Notes: upright, freely branching plant with strong and thick flowering stems. It has large, double, anemone-type flowers with orange-red ray and disc florets.

*Gaura lindheimeri* 'Siskiyou Pink'  
Gaura

Mature size: 2-3' W x 2-3' H

Notes: Clump forming perennial; wiry, arching stems, delicate flowers from white to light pink; long bloom period from late spring to fall

*Hakonechloa* 'Aureola'  
Japanese Forest Grass

Mature size: 1-1.5' W x 1-1.5' H

Notes: Clumps of graceful, arching grass with a waterfall-like habit; chartreuse to yellow foliage with attractive green stripes

*Leucanthemum* x *superbum* 'Becky'  
White Shasta Daisy

Mature size: 1-2' W x 3-4' H

Notes: Noted for its large double blooms with frilly, twisted white rays and yellow center disks. Multiple flowers per stem; medium green leaves; Blooms most of the summer. Excellent and long-lasting fresh cut flower.

*Monarda* 'Raspberry Wine'

Bee Balm

Mature size: 1.5-3.5' W x 2.5-3.5' H

Notes: Buds resemble raspberries which bloom in spring to produce wine-red flowers; blooms appear atop long square stems from midsummer to fall; attractive dark green foliage; sweet nectar attracts butterflies and hummingbirds

*Sedum* 'Autumn Fire'

Stonecrop

Mature size: 1-2' W x 1-2' H

Notes: Waxy, blue-green tinted foliage; mounds of flowers emerge green and change from pink to bright red in late summer/early fall

*Schizachyrium scoparium* 'Standing Ovation'

Little Bluestem

Size: 1-2' W x 3-4'H

Notes: Striking blue-green foliage adds great contrast with hints of green, pink, and purple. Foliage color softens in late summer then develops fiery red and orange hues in fall. Showy silver plumes develop seed heads that persist through winter.

*Thymus*

Creeping Thyme

Mature size: 12" W x 3" H

Notes: Creeping woody groundcover with tiny leaves; purple-pink flowers in summer; aromatic
