**RE: Healthy Rides Bike Shares**

Dear Heather:

Thank you for taking the time to come and present Healthy Ride Pgh's proposed Bike Share Expansion to the Hill District community at our quarterly community meeting February 21<sup>st</sup>. Although the community is generally supportive of bike share stations in the neighborhood, **none of the proposed stations received a score of 80% or higher, including the relocation.** As a result, the Development Review Panel cannot support this project.

**Below we have included a breakdown of the scores by location.**

- Wylie Ave & Crawford Ave – **75%**
- Oak Hill Dr & Bentley Dr – **75%**
- Kirkpatrick St & Reed St – **74%**
- Centre Ave & Kirkpatrick St (relocation) – **74%**
- Centre Ave & Heldman St – **68%**

We encourage you to revisit the expansion of the Bike Shares program in the Hill in the future, perhaps after more development has occurred to support their use.

Should you have any questions, please let me know.

Sincerely,

Marimba Milliones  
President and CEO
