Description for my mural is as follows. I wanted to created an inclusive image for all generations to enjoy and learn from which is why I brought elements from generations struggles and creativeness to create a mural which I call Creative United.

Further explanation based upon numbered sections of mural concepts

1. Is a black silhouette figure that will have a full fro or locs. Standing in the black power position above a BLACK LIVES MATTER FLAG
2. Will be traditional African symbols of encouragement placed around the edges of the mural (adinkra symbols)
3. Elements of the arts that the hill is known for such as jazz and august Wilson are depicted through instruments and theatre elements
4. A rainbow crowd of supporters with raised fists in solidarity

Budget:

4000 for lift rental

2,500 for paints and materials

Spray cans, house paint, safety equipment etc.

3,500 in artists fees to also cover travel and food during hours of operation on mural.

Timeline if all goes as planned it should take me no longer than 2.5 weeks to finish.
